JUPITER, FL – Loggerhead Club & Marina™ successfully launched the “First Annual Loggerhead Club & Marina™ Bahamas Rendezvous July 28<sup>th</sup> to the 31<sup>st</sup>, 2005. Twenty-one vessels ranging from 22-68 feet in length with eighty (80) fellow Loggerhead Club & Marina™ members formed the flotilla traveling from Florida’s east coast to Port Lucaya, Freeport, Grand Bahama. Port Lucaya Marina accommodates boats of up to 170 feet with complete yacht facilities including water, electricity, cable TV and telephone.

“The trip is in direct response to our Membership Surveys,” said Raymond Graziotto, co-owner of the eight Loggerhead Club and Marina™ brand marinas located along Florida’s east Coast. “Our first *Annual Loggerhead Club & Marina Bahamas Rendezvous* enjoyed a great turnout and fantastic events,” continued Graziotto. “The trip was in beautiful weather on calm seas, in water that is known as *gin clear*, but has to be seen to be believed. We are hosting this annual three-day

Bahamas group cruise with Loggerhead Club & Marina members including trip planners, a certified marine safety mechanic and group leaders experienced in Bahamian travel.

Our Rendezvous Friday Fishing tournament was followed by a spectacular three days of barbecue, cocktail parties, beach and family fun parties. This was an *everyone is welcome* event drawing men, women and children of all ages. We're certainly looking forward to hosting it again next year."

Loggerhead Club & Marina Harbormasters and staff arranged multiple land and sea based activities for the weekend and arranged for an experienced travel agent to assist with reservations at hotels and the marina at Port Lucaya. The trip included launch from three Florida locations with coordinated return to the United States through customs. Complimentary dockage was provided the night before at participating marinas.

A nominal registration fee per vessel was turned in along with a Float Plan and Trip Planning Checklist.

The registration fee covered:

- Coordination of departures, arrivals and on-site activities by Loggerhead Club & Marina staff with extensive experience in US/ Bahamas crossings.
- A certified mechanic to accompany the Rendezvous and assist with repairs in the event such untimely breakdowns occur.
- Four invitations to the "Meet and Greet" gathering the first night in port.
