JUPITER, FL – Seven Kings Holdings, Inc., the premier South Florida marina development and holdings company, announces Loggerhead Club & Marina•Vero Beach™, the third facility to be opened under the Loggerhead Club & Marina™ flag. Formerly known as Grand Harbor Marina, the newest Loggerhead Club & Marina™ located at 1221 Marina Village Circle, Vero Beach, FL 32967, within Vero Beach's largest upscale residential development, offers a Club and resort destination in Central Florida, and a protected, sheltered wet slip marina. Loggerhead Club & Marina•Vero Beach™ affords sweeping panoramic views in every direction of the marina, providing immediate access to the Indian River Lagoon.

“Loggerhead Club & Marina•Vero Beach™ is strategically located midway between the Ft. Pierce and Sebastian inlets, making excursions up and down the Indian River a prime activity for snook fishermen and boaters, and also a convenient home port with easy access to the Atlantic Ocean for offshore sailing and deep sea fishing,” said Raymond Graziotto, co-owner of the Loggerhead Club & Marina™ brand. Loggerhead Club & Marina•Vero Beach™ is offering: 144 slips for vessels up to 75 feet, 24 hour security with vehicle access through managed guard gates, soon-to-be new ships store, Captains Lounge and Harbormaster’s office with a virtual office for Members, new air-conditioned and tiled restrooms, showers and laundry.

Reciprocal dockage is available with all Loggerhead Club & Marina™ brand marinas located from Miami North to Vero Beach. The Marina incorporates a Club Membership with extensive benefits at Loggerhead Club & Marina-Vero Beach™ and others under the Loggerhead Club & Marina™ brand. A Captain’s Lounge and Virtual office will be available, as well as an all new Club facility complete with lounge, meeting rooms, pool and outdoor lounge overlooking the marina and waterway.

“With the addition of the newly constructed club building, members, owners and their guests can now relax and host events or daily sunset meetings directly at the Club facilities,” said Graziotto. The Club atmosphere allows members to unwind, relax and recharge right in the marina and by the pool in a sophisticated yet casual setting. “We recently added the Clubhouse to the marina, realizing we needed not only a first class environment for yachters to bring their boats to the immediate Central Florida area, but also a place to socialize in a great setting,” said JC Solomon II, coowner of the marina and Loggerhead Club & Marina™ brand. “We’d like the world to know about the boating experience in the Vero Beach area.”

Loggerhead Club & Marina-Vero Beach™ is within a picturesque harbor surrounded by some of the most spectacular beaches and waterways in the world. Daily escape includes fishing, sailing, motor cruising, snorkeling or diving in the surrounding waters.

Loggerhead Club & Marina•Vero Beach™ will provide additional much needed boating slips to the public, offering annual and monthly slip leasing and daily dockage for boaters. The marina waters are deep enough to accommodate larger vessels up to 75 feet.

At Loggerhead Club & Marina•Vero Beach™, boaters can explore Intracoastal islands and nearby beaches or arrange to make their accommodations on land. “Many of our visiting boaters also enjoy tennis, golf and sightseeing nearby,” said Graziotto.

“There was such a desire to extend the stay in the area that we decided to create a joint housing alliance within the residences of Grand Harbour. Now, through our Resort Rentals of Grand Harbor® program, visitors can secure their own housing and enjoy all of the community amenities.”
